TAM International hires Steve Hansen as Senior Compliance Engineer

Dear Colleagues, Customers, Suppliers and Friends, I am delighted to announce that Mr. Steven Hansen will be joining the TAM International team as a Senior Compliance Engineer.

Steve joins us from the United States Enrichment Corporation (USEC) Gaseous Diffusion Plant, where he has been responsible for the safe and compliant transportation of natural and enriched Uranium Hexafluoride for over a decade. Prior to his work with USEC, Steve was active duty U.S. Navy and a graduate of the joint DOD/DOE Naval Reactors - Nuclear Power School.

With over 25 years in the nuclear industry, Steve is a subject matter expert ranging from uranium enrichment, transportation, and nuclear plant operations and is a current member of the American National Standards Institute (ANSI) N14.1 committee. Steve's experience is expected to complement and expand the reach of the operational and engineering staff of TAM International.

Steve and his wife Beth reside in Paducah, Kentucky. Please join me in extending a heartfelt welcome to Steve.

Steve may be contacted at Steve.Hansen@TamIntlUSA.com
